

SERVICES & AMENITIES

At The Brant, we believe in creating endless opportunities to live well for everyone in our senior living communities. That mission is what inspires us to deliver a retirement lifestyle experience that feeds body, mind and spirit for each of our residents. Every day at The Brant is another chance to live well. Whether that's enjoying a movie with new friends in our theater, taking a stroll through our manicured grounds with your pet, or a rejuvenating massage at our spa and wellness center, your retirement lifestyle is your own. It's what you make of it.

We do our best to ensure our amenities and services enhance the retirement lifestyle for our residents by bringing innovative programming to the community. Always looking for a way to improve, we are on the cutting edge of living well.

Come explore The Brant for yourself or a loved one today and enjoy all this and more!
